

MEDIA ADVISORY

Amid growing global challenges, ECOSOC to convene the 2025 Coordination Segment at UN Headquarters.

WHAT United Nations Economic and Social Council (ECOSOC) Coordination Segment

With only five years remaining until 2030, less than one-fifth of the Sustainable Development Goals (SDG) targets are on track—further exacerbated by a \$4 trillion annual financing gap. The world continues to grapple with ongoing conflicts, economic instability, deepening inequalities, and an escalating climate crisis.

But we have critical opportunities this year to achieve breakthroughs in sustainable development. Building on the commitments made in the [Pact for the Future](#), the United Nations Economic and Social Council (ECOSOC) 2025 Coordination Segment will convene key stakeholders to advance coordinated, science-driven solutions that leave no one behind. The Segment will focus on the theme of the 2025 ECOSOC session and the High-level Political Forum (HLPF): *"Advancing sustainable, inclusive, science- and evidence-based solutions for the 2030 Agenda and its SDGs for leaving no one behind."*

The Coordination Segment will bring together Member States, ECOSOC subsidiary bodies, UN entities, specialized agencies and other participants. It will provide guidance for the economic, social, health, and environmental efforts of these bodies and entities, ensuring an integrated approach to follow-up on the 2030 Agenda for Sustainable Development and other major United Nations conferences and summits.

In this context, the event will draw on contributions from the Council's subsidiary bodies and UN entities to prepare for the 2025 HLPF, including reviews of SDGs on health (SDG 3), gender equality (SDG 5), decent work and economic growth (SDG 8), life below water (SDG 14), and partnerships (SDG 17).

In addition, the Segment will also provide an important opportunity to discuss the Council's implementation of the Pact for the Future and contributions from the ECOSOC system to other key processes in 2025, including the [Fourth International Conference on Financing for Development](#), the [Second World Summit for Social Development](#), the [Beijing+30 review of the Fourth World Conference on Women](#), and the [WSIS+20 review](#) of the World Summit on the Information Society.

WHEN 6 and 7 February 2025

WHERE Live through <https://media.un.org/en/webtv/>
