

The President
of the
Economic and Social Council

15 April 2025

Excellency,

I am pleased to share with you the **Impact Report of the 2025 ECOSOC Partnership Forum**, which is now available on the Forum's official website:
<https://sdgs.un.org/2025ECOSOCPartnershipForum>.

The 2025 Partnership Forum was held on **5 February 2025** at United Nations Headquarters in New York, under the theme: "*Advancing sustainable, inclusive, science- and evidence-based solutions for the 2030 Agenda and its Sustainable Development Goals.*" Special focus was placed on SDGs 3, 5, 8, 14, and 17, in line with the in-depth review at the 2025 High-Level Political Forum.

The report provides a factual account of the Forum, highlighting its inclusive approach, preparatory processes, programme, participation, and key outcome and outreach documents. It reflects how the Forum convened a wide range of stakeholders -including Member States, the UN system, civil society, the private sector, and youth - to exchange experiences, strengthen partnerships, and promote innovative approaches to sustainable development.

The report is shared as part of ongoing efforts to promote the Forum's outcomes and inform relevant intergovernmental discussions moving forward.

Please accept, Excellency, the assurances of my highest consideration.
