Ms. Rachel Adams

CEO, Global Centre of AI Governance

Rachel Adams, PhD is the Founding CEO of the Global Centre on AI Governance. She is an Adjunct Associate Professor in Law at the University of Cape Town and a Senior Research Fellow at the Leverhulme Centre for the Future of Intelligence at the University of Cambridge. Rachel is a global expert in AI policy, having led several global research projects on AI and AI policy, including the African Observatory on Responsible AI and the Global Index on Responsible AI. She is the author of *The New Empire of AI: The Future of Global Inequality*, and has an extensive publishing record in AI. She is further the co-chair of the Women's 20 G20 Engagement Group on "Education, STEM and the Digital Divide" and sits on several advisory boards, including for the UN, UNDP, WEF, Gates Foundation and UNESCO.
