The non-governmental organizations that were in consultative status as at 31 December 2022, including those added as a result of action taken by the Economic and Social Council at its management meetings held in 2022, are listed below.

Important note: owing to constraints related to the impact of the coronavirus disease (COVID-19) on the working arrangements of the Economic and Social Council and the sessions of its subsidiary bodies, the Council decided, by its decision 2022/313, to schedule the dates of the 2022 regular session of the Committee on Non-Governmental Organizations from 17 to 26 May and on 7 June 2022 and the resumed session from 29 August to 7 September and on 15 September 2022, respectively.

* There are 142 organizations in general consultative status, 5,235 in special consultative status and 966 on the Roster, for a total of 6,343 non-governmental organizations listed. The year in which an organization was granted status with the Council is given in parentheses, after the organization’s name, except where that information is not available.

1 By its decision 2022/320 of 13 April 2022, the Economic and Social Council decided, on an exceptional basis and without setting a precedent, to extend the deadline for the submission of quadrennial reports by non-governmental organizations in general and special consultative status with the Council until 1 July 2022. However, despite the extended deadline of 1 July 2022, the 205 organizations listed in section IV failed to submit their overdue reports. The Council subsequently decided, on 7 December 2022, at the 4th plenary meeting of its 2023 session, to immediately suspend the consultative status of these 205 organizations.
