Online Access to Documentation of the Committee

Online access to the documentation of the Committee (the “Paperless Committee” system) is restricted to members of the Committee.

Since the information posted online through the Paperless system contains detailed administrative and financial information about the applicant organizations, official documents that pertain to applications from NGOs and reclassification of status for NGOs in consultative status are therefore considered restricted documents.

Reports of previous sessions of the Committee, as well as press coverage of the Committee issued on the days when it is in session, are available at: <https://ecosoc.un.org/en/ngo/committee-on-ngos>
