STATISTICAL COMMISSION
Twelfth session
Item 20 of the provisional agenda

PRIORITIES OF THE COMMISSION'S WORK PROGRAMME

India: draft resolution

The Statistical Commission,

Being aware of the urgent needs of the less advanced countries for assistance in their efforts to achieve economic and social progress,

Requests the Secretary-General to make a special study of statistical requirements for planning economic and social development in less advanced countries including

- (a) types and priorities of statistical information;
- (b) training programmes at different levels; and
- (c) programmes for establishing statistical systems appropriate for national needs.
