GENERAL

E/CN.3/351/Corr.1
6 September 1966

ENGLISH ONLY

STATISTICAL COMMISSION
Fourteenth session
Item 5 (b) of the provisional agenda

INTEGRATED FIVE-YEAR PROGRAMME OF INTERNATIONAL STATISTICS

Corrigendum

In paragraph 76, the last two lines should read as follows:

"data of the kind traditionally obtained in other countries through a census, and a discussion of some independent sample surveys which are devised as subsequent supplements to a complete census".
