STATISTICAL COMMISSION  
Sixteenth session  
Item 15 (c) of the provisional agenda

DEMOGRAPHIC AND HOUSING STATISTICS

Progress report of the Secretary-General

1. A brief account of the progress achieved since September 1967 in the promotion of the improvement of demographic statistics is given in the following three documents, which were submitted to the Population Commission at its fifteenth session held at Geneva from 3 to 14 November 1969:

"Progress report on the world programme for the improvement of vital statistics" (E/CN.9/227)

"Progress report on the 1970 world population census programme" (E/CN.9/228)

"Progress report on demographic sample surveys" (E/CN.9/229)

2. A corresponding progress report on housing and related statistics is being submitted to the Statistical Commission in document E/CN.3/413/Add.1.
