<b>Division 41</b>			<b>Basic metals</b>			
<b>411</b>			<b>Basic iron and steel</b>			
	4111		Primary materials of the iron and steel industry			
		41111	Pig iron and spiegeleisen in pigs, blocks or other primary forms	7201	41111	2410
		41112	Ferro-manganese	7202.11, .19	41112	2410
		41113	Ferro-chromium	7202.41, .49	41113	2410
		41114	Ferro-nickel	7202.60	41114	2410
		41115	Other ferro-alloys	7202.21 - .30, .50, .70 - .99	41115	2410
		41116	Ferrous products obtained by direct reduction of iron ore and other spongy ferrous products, in lumps, pellets or similar forms; iron having a minimum purity by weight of 99.94%, in lumps, pellets or similar forms	7203	41116*	2410
		41117	Granules and powders, of pig iron and spiegeleisen, or steel	7205	41116*	2410
	4112		Crude steel			
		41121	Non-alloy steel in ingots or other primary forms, and semi-finished products of non-alloy steel	7206, 7207	41121	2410
		41122	Stainless or other alloy steel in ingots or other primary forms and semi-finished products of stainless or other alloy steel	7218, 7224	41122	2410
<b>412</b>			<b>Products of steel</b>			
	4121		Flat-rolled products of steel, not further worked than hot-rolled, not clad, plated or coated			
		41211	Flat-rolled products of non-alloy steel, not further worked than hot-rolled, of a width of 600 mm or more	7208.10 - .90	41211, 41231*	2410
		41212	Flat-rolled products of non-alloy steel, not further worked than hot-rolled, of a width of less than 600 mm	7211.13 - .19	41212	2410
		41213	Flat-rolled products of stainless or other alloy steel, not further worked than hot-rolled, of a width of 600 mm or more (except products of silicon-electrical steel)	7219.11 - .24, 7225.30, .40	41213, 41234*	2410

## **Selected explanatory notes for CPC sections 0-4**

---

**Section 0 Agriculture, forestry and fishery products**

---

**011 Cereals**

This group includes cereals grown for food and other purposes.

The subclasses labeled for seeds contain cereals specifically grown as seeds, whether processed or not. These seeds usually must fulfill certain quality requirements. Cereals not grown specifically for seed purposes should be classified as "other", even though some portion of the yield may be used as seed by the farmer.

**01312 Bananas**

This subclass includes:

- bananas that can be eaten without further preparation
- bananas for beer or wine

**01313 Plantains and others**

This subclass includes:

- cooking bananas, which need to be prepared (cooked or boiled) for consumption

**0215 Poultry**

This class includes:

- live domestic birds of the following kinds:
  - fowls of the species *Gallus domesticus* (chickens and capons)
  - turkeys
  - geese
  - ducks
  - guinea fowls

**03230 Wild edible products**

This subclass includes:

- edible products that exist only in the wild

This subclass does not include:

- edible products that exist in the wild and are also grown (controlled), cf. the corresponding subclass of division 01

---

**Section 2 Food products, beverages and tobacco; textiles, apparel and leather products**

---

**2118 Flours, meals and pellets of meat or meat offal, inedible; greaves**

This class includes the rendered protein products from animal tissues, including bone, exclusive of any added blood, hair, hoof, horn, hide trimmings, manure, stomach and rumen contents.

**21181 Meat and bone meal, meat meal, ruminant origin**

This subclass includes:

- the rendered protein products from bovine, sheep, goats and other ruminant tissues, including

bone, exclusive of any added blood, hair, hoof, horn, hide trimmings, manure, stomach and rumen contents

**21182 Meat and bone meal, meat meal, porcine origin**

This subclass includes:

- the rendered protein products from pig/swine tissues, including bone, exclusive of any added blood, hair, hoof, horn, hide trimmings, manure, stomach and rumen contents

**21183 Other meat and bone meal, meat meal, n.e.c.**

This subclass includes:

- the rendered protein products from other animal tissues, including bone, exclusive of any added blood, hair, hoof, horn, hide trimmings, manure, stomach and rumen contents

**21184 Poultry offal meal**

This subclass includes:

- the ground, rendered, clean parts of the carcass of slaughtered poultry, such as necks, feet, undeveloped eggs, and intestines, exclusive of feathers

**21185 Feather meal**

This subclass includes:

- the meal resulting from high pressure steam processing of clean, undecomposed feathers from slaughtered poultry

**21186 Blood meal**

This subclass includes:

- the meal produced from clean, fresh animal blood, exclusive of all extraneous material such as hair, processed by high temperature/ short-time method such as flash ring or spray drying

**21187 Bone meal, ruminant origin**

This subclass includes:

- the meal prepared by drying and grinding, boiling or cooking bones or following extraction for the preparation of gelatin and glue from bovines, sheep, goats or other ruminants

**21188 Bone meal, non-ruminant origin**

This subclass includes:

- the meal prepared by drying and grinding, boiling or cooking bones or following extraction for the preparation of gelatin and glue from non-ruminant animals including pigs/swine, etc.

---

**Section 3 Other transportable goods, except metal products, machinery and equipment**

---

**32210 Educational textbooks, in print**

This subclass includes:

- titles published to be primarily used as educational material for students and teachers in formal study programs. These books generally contain knowledge summaries and/or practice questions with the text. Includes workbooks, teachers manuals and resource materials, as well as interactive materials.

**32220 General reference books, in print**

This subclass includes:

- titles published primarily for general reference purposes and aimed at the public at large, e.g.:
  - dictionaries
  - encyclopaedias
  - thesauruses
  - atlases and other books of maps or charts
- serial installments of such titles

**32230 Directories, in print**

This subclass includes:

- publications of collections of systematically organized contact information. Descriptive information on persons, organizations, publications, or other entities is often included. Some examples are:
  - telephone directories
  - business and trade directories
  - municipal and city directories

**32291 Professional, technical and scholarly books, in print**

This subclass includes:

- specialized titles containing research, advanced knowledge, and/or information aimed at the academic and research community, or used by individuals in the practice of specific occupations or professions, e.g. lawyers, doctors, electricians, accountants, business or computer professionals

**32292 Children's books, in print**

This subclass includes:

- titles published for children, including picture books and books not intended as text books, such as:
  - fiction and non fiction books
  - reference books
  - bundled book-and- toy kits
  - talking books
  - colouring books

This subclass does not include:

- sticker books, cf. 32690

**32299 Other books n.e.c., in print**

This subclass includes:

- books of general interest published for consumption by the public at large. Includes literary fiction and non-fiction; poetry and drama; religious books, bibles and hymnals; non-fiction such as history, political, biographies, home and garden, how-to books, cook books, travel guides etc.

This subclass does not include:

- audio books, cf. 47691

**32300 Newspapers and periodicals, daily, in print**

This subclass includes:

- newspapers, journals and periodicals published at least four times a week

### **32410 General interest newspapers and periodicals, other than daily, in print**

This subclass includes:

- newspapers, journals and periodicals, published less than four times a week, covering general interest topics, such as:
  - arts, culture, leisure and entertainment
  - home and living
  - political, social and business news

This subclass does not include:

- on-line periodicals, cf. 84312

### **32420 Business, professional or academic newspapers and periodicals, other than daily, in print**

This subclass includes:

- business, professional and academic newspapers, journals and periodicals, published less than four times a week, such as:
  - scientific journals
  - medical journals etc.

This subclass does not include:

- on-line periodicals, cf. 84312

### **32490 Other newspapers and periodicals, other than daily, in print**

This subclass includes:

- other newspapers, journals and periodicals, published less than four times a week, such as:
  - periodicals covering specific subjects, including "zines"

This subclass does not include:

- on-line periodicals, cf. 84312

### **32520 Music, printed or in manuscript**

This subclass includes:

- musical compositions in printed form. Includes prints of owned compositions and of those for which the publisher/printer has obtained rights to the composition copyright. Printed compositions are distributed as sheet music, folios, or books in printed form or electronic text to wholesalers and retailers for ultimate consumption by consumers.

This subclass does not include:

- licensing of the rights to print or copy a musical composition, see 73320
- retailing of print music produced by others, see 62351

---

## **Section 4 Metal products, machinery and equipment**

---

### **47610 Musical audio disks, tapes or other physical media**

This subclass includes:

- physical media (CDs, cassette tapes, and vinyl records, etc) containing recordings of musical sound material

This subclass does not include:

- retailing of phonorecords (including electronic sound files) produced by others, cf. 62142, 62242, 62342, 62442, 62542
- master original recordings produced for outright sale (i.e., with all property rights), cf. 96113
- contract technical recording services provided by sound recording studios, cf. 96111, 96112
- contract manufacturing services for creating duplicates from master original recordings, cf. 89122, 96132
- music videos and DVDs, cf. 47620

#### **47620 Films and other video content on disks, tape or other physical media**

This subclass includes:

- physical media (CDs, cassette tapes, and vinyl records, etc) containing video recordings

This subclass does not include:

- retailing of DVDs produced by others, cf. 62142, 62242, 62342, 62442, 62542
- original recordings produced for outright sale (i.e., with all property rights), cf. 96123
- contract production services, cf. 89122
- audio disks and tapes, cf. 47610

#### **47691 Audio books on disk, tape or other physical media**

This subclass includes:

- physical media (CD-ROM, tape etc.) containing audio books, i.e. audio recordings of someone reading the text of a book

#### **47692 Text-based disks, tapes or other physical media**

This subclass includes:

- physical media (CD-ROM, diskette, microfilm, microfiche etc.) containing non-audio recordings of text material from periodicals, textbooks, reference books and other sources

#### **4781 Systems software, packaged**

This subclass includes:

- published low-level software required to manage computer resources and support the production or execution of application programs but which is not specific to any particular application

#### **47811 Operating systems, packaged**

This subclass includes:

- published low-level software which handles the interface to peripheral hardware, schedules tasks, allocates storage, and presents a default interface to the user when no application program is running. Includes all client and network operating systems

#### **47812 Network software, packaged**

This subclass includes:

- published software that is used to control, monitor, manage and communicate with operating systems, networks, network services, databases, storage and networked applications in an integrated and cooperative fashion across a network from a central location. Includes all network management software, server software, security and encryption software, middleware, etc.

#### **47813 Database management software, packaged**

This subclass includes:

- published collections/suites of software programs that enable storage, modification and extraction of information from a database. There are many different types of DBMSs ranging from small systems that run on computers to huge systems that run on mainframes, e.g. Oracle.

#### **47814 Development tools and programming languages software, packaged**

This subclass includes:

- published software used to assist in the development and/or authoring of computer programs. Software products that support the professional developer in the design, development, and implementation of a variety of software systems and solutions.

#### **4782 Application software, packaged**

This subclass includes:

- published software programmes that perform a specific function directly for the end user

#### **47821 General business productivity and home use applications, packaged**

This subclass includes:

- published software used for general business purposes to improve productivity, or in the home for entertainment, reference or educational purposes. This includes office suite applications such as word processors, spreadsheets, simple databases; graphics applications; project management software, computer-based training software, games, reference, home education, etc.

#### **47829 Other application software, packaged**

This subclass includes:

- cross-industry application software, i.e. software that is designed to perform and/or manage a specific business function or process that is not unique to a particular industry. (Includes professional accounting software, human resource management, customer relations management software, Geographic Information System software, web page/website design software, etc.)
- vertical market application software, i.e. software that performs a wide range of business functions for a specific industry such as manufacturing, retail, health care, engineering, restaurants, etc.
- utilities software, i.e. a small computer program that performs a very specific task, such as compression programs, anti-virus, search engines, font, file viewers, and voice recognition software (Utilities differ from other applications software in terms of size, cost and complexity)
- application software not elsewhere classified

<b>53112</b>	<b>Multi-dwelling residential buildings</b>
	This subclass includes:
	- residential buildings with three or more dwellings
<b>5312</b>	<b>Non-residential buildings</b>
<b>53121</b>	<b>Industrial buildings</b>
	This subclass includes:
	- buildings used to house warehousing activities and the production and assembly activities of industrial establishments
	- factories, plants and workshops
<b>53122</b>	<b>Commercial buildings</b>
	This subclass includes:
	- buildings used primarily in the wholesale and retail trades
	- office buildings, bank buildings
	- air, rail or road transport terminals, parking garages and petrol and service stations
<b>53129</b>	<b>Other non-residential buildings</b>
	This subclass includes:
	- public entertainment buildings such as cinemas, theatres, concert halls, dance halls and nightclubs
	- hotels, motels, inns, hostels, restaurants and similar buildings
	- educational buildings such as schools, colleges, universities, libraries, archives and museums
	- health buildings such as hospitals and sanatoria
	- indoor sports or recreation installations (ice rinks, gymnasias, indoor tennis courts, general-purpose sports halls, boat sheds, boxing rings, etc.)
	- religious buildings and prison buildings
	- other non-residential buildings n.e.c.
<b>532</b>	<b>Civil engineering works</b>
<b>5321</b>	<b>Highways (except elevated highways), streets, roads, railways and airfield runways</b>
<b>53211</b>	<b>Highways (except elevated highways), streets, roads</b>
	This subclass includes:
	- highways (except elevated highways), streets, roads and other vehicular and pedestrian ways

- guard rails and surfaced parking areas, driveways, vehicular and pedestrian underpasses and overpasses, and bicycle paths

This subclass does not include:

- elevated highways, cf. 53221 and highway tunnels, cf. 53222

### **53212 Railways**

This subclass includes:

- railway roadbeds for long-line and commuter rails, street tramways, and underground or elevated urban rapid transit systems
- railway electrification structures

### **53213 Airfield runways**

This subclass includes:

- airfield runways, including taxiways and related airport structures other than buildings

### **5322 Bridges, elevated highways, tunnels and subways**

#### **53221 Bridges and elevated highways**

This subclass includes:

- bridges and viaducts of metal, concrete or other materials, for all types of land transport and for pedestrians
- elevated highways for motor vehicle traffic

#### **53222 Tunnels and subways**

This subclass includes:

- highway and railway tunnels
- tunnel constructions and other underground constructions related to underground railway traffic

This subclass does not include:

- vehicular and pedestrian underpasses, cf. 53211
- tunnels associated with mining operations, cf. 53261

### **5323 Harbours, waterways, dams, irrigation and other waterworks**

#### **53231 Aqueducts and other water supply conduits, except pipelines**

This subclass includes:

- aqueducts, water conduits and similar waterways designed to convey water for the purpose of water supply, except pipelines

This subclass does not include:

- waterworks for irrigation or flood control, cf. 53234
- long distance pipelines, cf. 53241
- local pipelines, cf. 53251

#### **53232 Harbours, waterways and related facilities**

This subclass includes:

- harbour bottoms and harbour channels, breakwaters, piers, wharves and similar structures, and riverworks and canal construction for water transport traffic

- 53233 Dams**
- This subclass includes:
- dams and similar water-retaining structures and embankments for coastal and other waterside areas
- 53234 Irrigation and flood control waterworks**
- This subclass includes:
- irrigation and flood control waterworks
- This subclass does not include:
- waterways for the purpose of water supply, cf. 53231
- 53235 Sewer systems and sewage disposal plants**
- This subclass includes:
- sewer systems
  - sewage disposal plants
- 5324 Long-distance pipelines, communication and power lines (cables)**
- 53241 Long-distance pipelines**
- This subclass includes:
- long-distance overland and submarine pipelines for the conveyance of petroleum products, gas, water or other products
- This subclass does not include:
- urban gas or water distribution systems through mains, cf. 53251
- 53242 Long-distance communication and power lines (cables)**
- This subclass includes:
- long-distance overland or submarine telecommunication transmission lines
  - long-distance high tension electric power transmission lines (cables)
- This subclass does not include:
- low-tension electric power distribution lines, cf. 53252
- 5325 Local pipelines and cables and related works**
- 53251 Local pipelines**
- This subclass includes:
- local gas pipelines and water and sewer mains
- 53252 Local cables and related works**
- This subclass includes:
- communication transmission lines (cables)
  - ancillary works such as transmission towers including antennas and transformer stations and substations for distribution within local boundaries
  - local public utility systems n.e.c.
- 5326 Mines and industrial plants**

**53261 Mining constructions**

This subclass includes:

- mining and related facilities, such as mine loading and discharging stations, winding-shafts and towers, tunnels and drifts associated with mining operations

**53262 Power plant constructions**

This subclass includes:

- heavy electrical generating plants and equipment, including plants and equipment for nuclear-powered generating stations

**53263 Chemical and related facilities**

This subclass includes:

- manufacturing facilities of basic chemicals, compounds, pharmaceuticals and other chemicals
- chemical and related manufacturing facilities such as blast furnaces and coke ovens

**53269 Other constructions for manufacturing**

This subclass includes:

- specialized facilities for manufacturing, n.e.c., e.g., iron foundries

This subclass does not include:

- industrial buildings that are not specialized for the manufacture of particular products, cf. 53121

**5327 Outdoor sport and recreation facilities****53270 Outdoor sport and recreation facilities**

This subclass includes:

- grounds for sport generally played in open air such as football, baseball, rugby, track and field, car or bicycle races and horse races
- recreation installations, e.g., golf courses, beach installations, mountain refuges, marina for pleasure boats, park grounds and recreational park facilities

This subclass does not include:

- indoor sport installations and accommodations for spectators, cf. 53129

**5329 Other civil engineering works****53290 Other civil engineering works**

This subclass includes:

- other civil engineering works, n.e.c.

**Division 54 Construction services**

This division includes:

- pre-erection services
- new construction and repair, alteration and restoration services on residential buildings, non-residential buildings or civil engineering works. The products classified here are services which are essential in the production process of the different types of construction and the final output of construction activities.

This division also includes:

- renting services related to equipment for construction or demolition of buildings or civil engineering

works with operator, cf. in the respective construction service category

**541 General construction services of buildings**

**5411 General construction services of residential buildings**

**54111 General construction services of one- and two-dwelling buildings**

**54112 General construction services of multi-dwelling buildings**

This subclass does not include:

- construction of special concrete frameworks for very high buildings, cf. 54540

**5412 General construction services of non-residential buildings**

**54121 General construction services of industrial buildings**

This subclass includes:

- construction services of warehouses and industrial buildings (e.g. for manufacturing), light industrial buildings and agricultural buildings

This subclass does not include:

- construction services for mining and manufacturing other than buildings, cf. 54260, 54270

**54122 General construction services of commercial buildings**

This subclass includes:

- construction services of commercial or administrative buildings such as office buildings, bank buildings, parking garages, petrol and service stations, shopping centres and air, rail or road transport terminals

**54129 General construction services of other non-residential buildings**

This subclass includes:

- construction services of public entertainment buildings such as cinemas, theatres, concert halls, dance halls and nightclubs
- construction services of hotels, motels, inns, hostels, restaurants and similar buildings (including time-share properties)
- construction services of educational buildings such as schools, colleges, universities, libraries, archives and museums
- construction services of health buildings such as hospitals and sanatoria
- construction services of indoor sports or recreation installations (ice rinks, gymnasia, indoor tennis courts, general-purpose sports halls, boat sheds, boxing rings, etc.)
- construction services of structures for swimming pools
- services involved in the construction of flat-work for indoor sport or recreation (ice rinks, gymnasia, indoor tennis and the like)
- construction services of non-residential buildings not elsewhere classified, such as religious buildings and prison buildings

**542 General construction services of civil engineering works**

**5421 General construction services of highways (except elevated highways), streets, roads, railways and airfield runways**

**54210 General construction services of highways (except elevated highways), streets, roads, railways and airfield runways**

This subclass includes:

- construction services of formations for highways (except elevated highways), roads, streets, other vehicular and pedestrian ways and open car parks
- construction or restoration of road surface and parking lots with asphalt, concrete, etc.
- construction of footpaths, traffic-calming structures, cycle tracks, etc.
- installation services of crash barriers, low separating walls, traffic signs, etc.
- creation, maintenance and signposting of tracks and paths
- construction services of railways:
  - laying services of ballast and rails
  - installation services of switch gear, points and crossings
  - construction services of control and safety systems for railway tracks
  - construction services of funicular railways and cable car systems
- construction services of airfield runways including taxiways and aprons for aircraft
- maintenance and repair services of roads
- renovation of repair services of railway track
- painting services of markings on road surfaces, parking lots and similar surfaces

This subclass does not include:

- construction services of elevated highways, tunnels and bridges, cf. 54220
- roadworks relating to pipelines and cables (water, drainage, gas, electricity, telephone, etc.), cf. 5424, 5425
- construction services of electricity power lines for railways, cf. 54242

**5422 General construction services of bridges, elevated highways, tunnels and subways**

**54220 General construction services of bridges, elevated highways, tunnels and subways**

This subclass does not include:

- construction services of highways, roads, railways and airfield runways, cf. 54210
- construction services of water-associated work, cf. 5423
- erection services of structural steel components, cf. 54550

**5423 General construction services of harbours, waterways, dams, water mains and lines, irrigation and other waterworks**

**54231 General construction services of dams, harbours and similar**

This subclass includes:

- construction services of harbour and river works, pleasure ports (marinas), quays, piers, jetties, docks and similar harbour installations, including repair
- construction services of dams and dykes, including repair

**54232 General construction services of irrigation, sewer systems and water treatment and purification plants**

This subclass includes:

- construction services of irrigation systems (canals) and aqueducts, including repair
- construction services of sewer systems and sewage disposal plants, including repair
- construction services of water treatment and purification plants, including repair
- construction services of pumping stations, including repair

This subclass does not include:

- construction services on pipelines and on water and sewer mains, cf. 54241 (long-distance) and 54251 (local), respectively

**54239 General construction services of other waterworks**

This subclass includes:

- construction works of locks, floodgates, sluices, lifts, dry docks, slipways, barrages and other hydromechanical structures
- dredging services, rock and silt removal and other water-associated construction services
- underwater work (by divers, frogmen or other techniques) and various hydraulic engineering services
- construction services of other waterworks and the repair of all the above

This subclass does not include:

- laying of submarine cables, cf. 54242
- construction services of power plants, cf. 54260
- pile driving services, cf. 54511

**5424 General construction services of long-distance pipelines, communication and power lines (cables)**

**54241 General construction services of long-distance pipelines**

This subclass includes:

- construction services of long-distance overland, underground or submarine pipelines for oil and gas transportation
- construction services of long-distance overland, underground or submarine pipelines other than for transportation of oil and gas
- construction services of long-distance pipelines for water supplies, sewage or rainwater

This subclass does not include:

- general construction services of installations involving water catchment or water purification, cf. 54232
- trenching services, cf. 54330

**54242 General construction services of long-distance communication and power lines (cables)**

This subclass includes:

- construction services of long-distance electricity power lines including for railways
- construction services of long-distance submarine or underground electricity power lines
- construction services of long-distance overland telecommunication transmission lines
- construction services of long-distance submarine or underground telecommunication transmission lines
- repair services of long-distance communication and power lines (cables)

This subclass does not include:

- construction services of local cables, cf. 54252
- trenching services, cf. 54330

**5425 General construction services of local pipelines and cables and related works**

**54251 General construction services of local pipelines**

This subclass includes:

- construction services of local water or sewage pipelines including ancillary services such as construction of pumping stations
- construction services of local hot-water pipelines
- construction services of local gas and steam pipelines including ancillary services

This subclass does not include:

- trenching services, cf. 54330

**54252 General construction services of local cables and related works**

This subclass includes:

- construction services of local electricity power lines including ancillary work such as construction services of transformer stations and substations for distribution within local boundaries
- construction services of local communication transmission lines, including ancillary work such as construction services of transmission towers
- construction services of antennas and transformer stations for distribution within local boundaries
- construction services of underground lines for cable television
- repair services of local cables and related works

This subclass does not include:

- construction services of long-distance communication and power lines, cf. 54242
- trenching services, cf. 54330
- installation of cable television lines within a building, cf. 54614

**5426 General construction services of power plants**

**54260 General construction services of power plants**

This subclass includes:

- construction services of all kinds of power plants

**5427 General construction services of mines and industrial plants except power plants**

**54270 General construction services of mines and industrial plants except power plants**

This subclass includes:

- construction services of mining and manufacturing, e.g. loading and discharging stations, winding-shafts, chemical plants, iron foundries, blast furnaces and coke ovens
- repair services of mines and industrial plants

This subclass does not include:

- construction services of warehouses and industrial buildings, cf. 54121

**5428 General construction services of outdoor sport and recreation facilities**

**54280 General construction services of outdoor sport and recreation facilities**

This subclass includes:

- construction services of structures for stadiums and other grounds for sports played in the open air such as football, baseball, rugby, track and field sports, motor racing, cycle racing and horse racing
- construction services other than buildings (flat-work) for stadiums and other grounds for sports played in the open air such as football, baseball, rugby, track and field sports, motor racing, cycle racing and horse racing
- construction services of recreation installations, e.g. golf courses, beach installations, mountain refuges, park grounds and recreational park facilities

This subclass does not include:

- preliminary earthmoving work services, cf. 54320

**5429 General construction services of other civil engineering works n.e.c.**

**54290 General construction services of other civil engineering works n.e.c.**

**543 Site preparation services**

**5431 Demolition services**

**54310 Demolition services**

This subclass includes:

- wrecking and demolition services of buildings and other structures
- wrecking and demolition services of streets and highways

	This subclass includes:
	- research and experimental development services on catalyses, fermentation, physiology and ecology of animals and plants, micro-organisms, etc.
<b>81119</b>	<b>Research and experimental development services in other natural sciences</b>
	This subclass includes:
	- environmental research services
<b>8112</b>	<b>Research and experimental development services in engineering and technology</b>
<b>81121</b>	<b>Research and experimental development services in biotechnology</b>
	This subclass includes:
	- research and experimental development services for goods, services or knowledge, requiring one or more of the following biotechnology techniques:
	• DNA/RNA:
	• Genomics, pharmacogenomics, gene probes, genetic engineering, DNA/RNA sequencing/synthesis/amplification, gene expression profiling, and use of antisense technology
	• Proteins and other molecules:
	• Sequencing/synthesis/engineering of proteins and peptides (including large molecule hormones); improved delivery methods for large molecule drugs; proteomics, protein isolation and purification, signaling, identification of cell receptors
	• Cell and tissue culture and engineering:
	• Cell/tissue culture, tissue engineering (including tissue scaffolds and biomedical engineering), cellular fusion, vaccine/immune stimulants, embryo manipulation
	• Process biotechnology techniques:
	• Fermentation using bioreactors, bioprocessing, bioleaching, biopulping, biobleaching, biodesulphurisation, bioremediation, biofiltration and phytoremediation
	• Gene and RNA vectors:
	• Gene therapy, viral vectors
	• Bioinformatics:
	• Construction of databases on genomes, protein sequences; modelling complex biological processes, including systems biology
	• Nanobiotechnology:
	• Applies the tools and processes of nano/microfabrication to build devices for studying biosystems and applications in drug delivery, diagnostics etc.

- 81129 Research and experimental development services in other engineering and technology**
- This subclass includes:  
 - research and experimental development services on applied science and technology for casting, metal, machinery, electricity, communications, vessels, aircraft, civil engineering, construction, information etc.
- 8113 Research and experimental development services in medical sciences and pharmacy**
- 81130 Research and experimental development services in medical sciences and pharmacy**
- This subclass includes:  
 - research and experimental development services on treatment of diseases, preventive hygiene, pharmacy, etc.
- 8114 Research and experimental development services in agricultural sciences**
- 81140 Research and experimental development services in agricultural sciences**
- This subclass includes:  
 - research and experimental development services on agricultural techniques, fruit culture, forestry, stock breeding, fisheries, etc.
- 812 Research and experimental development services in social sciences and humanities**
- 8121 Research and experimental development services in social sciences**
- 81211 Research and experimental development services in psychology**
- This subclass includes:  
 - research and experimental development services in psychology
- 81212 Research and experimental development services in economics**
- This subclass includes:  
 - research and experimental development services in theories of economics, business management, finance, statistics, etc.
- This subclass does not include:  
 - market research services, cf. 83700
- 81213 Research and experimental development services in law**
- This subclass includes:  
 - research and experimental development services in public law, civil law, etc.
- 81219 Research and experimental development services in other social sciences**
- This subclass includes:  
 - research and experimental development services in social and cultural anthropology, demography, geography (human, economic and social), linguistics, political sciences, sociology etc.
- 8122 Research and experimental development services in humanities**
- 81221 Research and experimental development services in languages and literature**

This subclass includes:

- research and experimental development services in ancient and modern languages and literature

**81229 Research and experimental development services in other humanities**

This subclass includes:

- research and experimental development services in history, philosophy, arts, religion, theology etc.

**813 Interdisciplinary research and experimental development services**

**8130 Interdisciplinary research and experimental development services**

**81300 Interdisciplinary research and experimental development services**

**814 Research and development originals**

**8140 Research and development originals**

**81400 Research and development originals**

This subclass includes:

- scientific originals, i.e. ideas, plans, blueprints, formulas for inventions, products and processes, which can be protected and licensed as industrial property, trade secrets, patents etc.

The creation of these original works is done on own account, i.e. their production is intended for sale that is undertaken without either a contract or known buyer in mind.

**Division 82 Legal and accounting services**

**821 Legal services**

**8211 Legal advisory and representation services concerning criminal law**

**82110 Legal advisory and representation services concerning criminal law**

This subclass includes:

- advice, representation and related services (defence, search for evidence, witnesses, experts, etc.) concerning criminal law

**8212 Legal advisory and representation services concerning other fields of law**

**82120 Legal advisory and representation services concerning other fields of law**

This subclass includes:

- advice, representation and other related legal services in judicial and quasi-judicial procedures concerning fields of law, other than criminal law

**8213 Legal documentation and certification services**

**82130 Legal documentation and certification services**

This subclass includes:

- drafting and certification of documents and other related legal services concerning patents, copyrights and other intellectual property rights
- drafting and certification of documents and other related legal services concerning other legal documents, such as wills, marriage contracts, commercial contracts, business charters, etc.

**8219 Other legal services****82191 Arbitration and conciliation services**

This subclass includes:

- arbitration or mediation services for the settlement of a dispute between labour and management, between businesses or between individuals

This subclass does not include:

- representation services on behalf of one of the parties in the dispute, cf. 82120

**82199 Other legal services n.e.c.**

This subclass includes:

- escrow services
- other legal services n.e.c.

**822 Accounting, auditing and bookkeeping services****8221 Financial auditing services****82210 Financial auditing services**

This subclass includes:

- examination services for the accounting records and other supporting evidence of an organization for the purpose of expressing an opinion as to whether financial statements of the organization present fairly its position as at a given date and results of its operations for the period ending on that date, in accordance with generally accepted accounting principles

This subclass does not include:

- accounting review services, cf. 82221
- management audits, cf. 83111

**8222 Accounting and bookkeeping services****82221 Accounting services**

This subclass includes:

- accounting review services consisting in reviewing services for annual and interim financial statements and other accounting information. The scope of a review is less than that of an audit, and the level of assurance provided is thus lower.
- compilation services for financial statements from information provided by the client. No assurances regarding the accuracy of the resulting statements are provided.
- preparation services for business tax returns, when provided as a package with the preparation of financial statements for a single fee are classified here
- compilation of income statements, balance sheets, etc.
- analysis of balance sheets, etc.
- other accounting services such as attestations, valuations, preparation services for pro forma statements, etc.

This subclass does not include:

- business tax preparation services, when provided as separate services, cf. 823
- financial auditing services, cf. 82210

**82222 Bookkeeping services**

This subclass includes:

- bookkeeping services consisting in classifying and recording business transactions in terms of money or some unit of measurement in the books of account

This subclass does not include:

- bookkeeping services related to tax returns, cf. 823
- payroll services, including payroll computation and ledgers, cf. 82223

**82223 Payroll services**

This subclass includes:

- payroll services, including payroll computation and ledgers

**823 Tax consultancy and preparation services**

**8231 Corporate tax consulting and preparation services**

**82310 Corporate tax consulting and preparation services**

This subclass includes:

- corporate tax consulting and preparation of returns for all kinds of taxes (e.g., VAT)

**8232 Individual tax preparation and planning services**

**82320 Individual tax preparation and planning services**

This subclass includes:

- tax preparation and planning services for unincorporated business
- tax preparation and planning services for individuals

**824 Insolvency and receivership services**

**8240 Insolvency and receivership services**

**82400 Insolvency and receivership services**

This subclass includes:

- providing advice and assistance to the management and/or creditors of insolvent businesses and/or to act as receiver or trustee in bankruptcy

**Division 83 Other professional, technical and business services**

**831 Management consulting and management services; information technology services**

**8311 Management consulting and management services**

**83111 Strategic management consulting services**

This subclass includes:

- advisory, guidance and operational assistance services concerning business policy and strategy and the overall planning, structuring and control of an organization. More specifically, general management consulting assignments may deal with one or a combination of the following:
  - policy formulation
  - determination of the organizational structure (decision-making system) that will most effectively meet the objectives of the organization

- legal organization
- strategic business plans
- corporate development and restructuring consulting services, such as on mergers, acquisitions, joint ventures, strategic alliances, diversification, privatization
- defining a management information system
- development of management reports and controls
- business turnaround plans
- management audits
- development of profit improvement programmes
- and other matters that are of particular interest to the higher management of an organization

### **83112 Financial management consulting services**

This subclass includes:

- advisory, guidance and operational assistance services concerning decision areas that are financial in nature, such as:
  - working capital and liquidity management, determination of an appropriate capital structure
  - analysis of capital investment proposals
  - asset management
  - development of accounting systems and budgeting and budgetary controls
  - financial consulting services related to mergers, acquisitions, etc. such as advice on methods of valuations, methods of payment, methods of control, international finance

This subclass does not include:

- security brokerage services, cf. 71521
- portfolio management services (except for pension funds), cf. 71530
- pension fund management, cf. 71640

### **83113 Human resources management consulting services**

This subclass includes:

- advisory, guidance and operational assistance services concerning the human resources strategies, policies, practices and procedures of an organization. Human resources consulting assignments may deal with one or more of the following:
  - recruitment, compensation, benefits, performance measurement and appraisal
  - organizational development (improving functioning within and between groups)
  - employee training and development needs
  - outplacement procedures and plans for assistance to employees
  - succession planning
  - compliance with government regulations in areas such as health, safety, workers' compensation and employment equity
  - labor-management relations
  - human resources audits

### **83114 Marketing management consulting services**

This subclass includes:

- advisory, guidance and operational assistance services concerning the marketing strategy and marketing operation of an organization. Marketing management consulting assignments may deal with one or a combination of the following:
  - analysis and formulation of a marketing strategy
  - formulation of customer service programs, pricing, advertising and distribution channels
  - sales management and sales staff training
  - organization of marketing channels (sale to wholesalers or directly to retailers, direct mail, franchise, etc.), package design and other matters related to the marketing strategy and operations of an organization

This subclass does not include:

- public relations services, cf. 83121
- advertising services, cf. 836

### **83115 Operations management consulting services**

This subclass includes operations management consulting services, such as:

- consulting on systems and procedures improvements
- office and service operations improvements such as:
  - office layout
  - workflow planning and work standards
- office automation, such as the selection and installation of automated systems
- product development, quality assurance and quality management
- plant safety, security and protection

This subclass does not include:

- supply chain consulting services, cf. 83116

### **83116 Supply chain and other management consulting services**

This subclass includes:

- integrated supply chain management consulting services

Integrated supply chain management consulting is a bundled product that includes inventory management, warehousing and storage and distribution services.

- logistic management consulting services, such as
  - inventory management logistic consulting, that is keeping track of the existing inventory, determining the most effective inventory requirements for a client
  - distribution and transportation logistic consulting, including the processes used by a client to store, handle and move goods within an organization, to ship goods from the client to the customers
  - warehousing and storage logistic consulting including the processes of receiving, storing and issuing an item
  - maintenance logistic consulting
- other management consulting services, n.e.c.

### **83117 Business process management services**

This subclass includes the provision of a bundled service package that combines information technology-intensive services with labour (manual or professional depending on the solution), machinery, and facilities to support, host and manage a business process for a client:

- financial business process such as financial transaction processing, credit card processing, payment services, lending services
- human resource business process such as benefits administration, payroll processing, personnel administration
- supply chain management business process such as inventory management, procurement services, logistics services, production scheduling and order processing
- customer relations management business process such as help desk, call centre, customer service
- vertical market business process, conducted by specific industries such as electric, chemical, petroleum
- other business processes for a client

### **8312 Business consulting services**

#### **83121 Public relations services**

This subclass includes:

- advisory, guidance and operational assistance services concerning methods to improve the image and relations of an organization or individual with the general public, government, voters, shareholders and others

This subclass does not include:

- planning and creating services of advertising, cf. 83611
- public opinion polling services, cf. 83700

### **83129 Other business consulting services**

This subclass includes:

- regional, industrial or tourism development services

### **8313 Information technology (IT) technical consulting and support services**

#### **83131 IT technical consulting services**

This subclass includes the provision of advice or expert opinion on technical matters related to the use of information technology, such as:

- advice on matters such as hardware and software requirements and procurement
- systems integration
- systems security
- provision of expert testimony on IT related issues

This subclass does not include:

- advice on issues related to business strategy, such as advising on developing an e-commerce strategy, cf. 83111
- service contracts where advice is bundled with the design and development of an IT solution (website, database, specific application, network, etc.), cf. the appropriate information technology (IT) design and development service under 8314

#### **83132 IT technical support services**

This subclass includes the provision of technical expertise to solve problems for the client in using software, hardware, or entire computer system, such as:

- the provision of customer support in using or troubleshooting the software
- upgrade services and the provision of patches and updates
- the provision of customer support in using or troubleshooting the computer hardware, including testing and cleaning on a routine basis and repair of IT equipment
- technical assistance in moving a client's computer system to a new location
- the provision of customer support in using or troubleshooting the computer hardware and software in combination
- the provision of technical expertise to solve specialized problems for the client in using a computer system, such as:
  - services of auditing or assessing computer operations without providing advice or other follow-up action including auditing, assessing and documenting a server, network or process for components, capabilities, performance, or security
  - data recovery services, i.e. retrieving a client's data from a damaged or unstable hard drive or other storage medium, or providing standby computer equipment and duplicate software in a separate location to enable a client to relocate regular staff to resume and maintain routine computerized operations in event of a disaster such as a fire or flood
- other IT technical support services, n.e.c.

#### **8314 Information technology (IT) design and development services**

This class includes the provision of technical expertise to design and/or develop an IT solution such as

custom applications, networks, and computer systems.

#### **83141 IT design and development services for applications**

This subclass includes the services of designing the structure and/or writing the computer code necessary to create and/or implement a software application, such as:

- designing the structure and content of a web page and/or of writing the computer code necessary to create and implement a web page
- designing the structure and content of a database and/or of writing the computer code necessary to create and implement a database (data warehouse)
- designing the structure and writing the computer code as necessary to design and develop a custom software application, other than programming for websites, databases, or packaged software integration
- customization and integration, adapting (modifying, configuring, etc.) and installing an existing application so that it is functional within the clients' information system environment

This subclass does not include:

- service contracts where the design and development of a web page is bundled with the hosting of the web page, cf. 83151
- service contracts where the design and development of the application is bundled with the hosting and management of the application on an on-going basis, cf. 83152
- service contracts where the design and development of a database is bundled with the on-going management of the data holdings, cf. 83159

#### **83142 IT design and development services for networks and systems**

This subclass includes:

- designing, developing and implementing customer's networks such as intranets, extranets and virtual private networks
- network security design and development services, i.e. designing, developing and implementing software, hardware and procedures to control access to data and programs and to allow for the safe exchange of information over a network
- the combined service of assessing an organization's computer requirements, advising on hardware and software acquisitions, developing system specification and putting the new system in place
- computer systems integration services, i.e. an analysis of the client's current computer system, present and future computing requirements, the purchase of new equipment and software, and the integration of the new and old systems components to create a new integrated system

This subclass does not include:

- services of day-to-day management of the client's network, cf. 83161

#### **83143 Software originals**

#### **8315 Hosting and information technology (IT) infrastructure provisioning services**

This class includes the provision of information technology (IT) infrastructure (hardware, software and networks) to process data, host applications and host processes for a client.

#### **83151 Website hosting services**

This subclass includes:

- provision of the infrastructure to host a customer's website and related files in a location that provides fast, reliable connection to the Internet, which may be:
  - limited to storage on a single server, in either shared or dedicated capacity, without the service provider managing or integrating software applications (Software hosted on the server is the client's responsibility and service level guarantees are standardized and limited in scope)
  - a bundled service package that consists of the hosting and management of the website and related

applications

An important characteristic of this service is the promise of a secure and reliable site and internet connections that can be quickly scaled to accommodate variations in traffic use. Frequently, consulting, customization and systems integration are part of the package. Applications are frequently e-commerce related and enable online storefronts, shopping carts and catalogues with advanced and complex features such as order processing, fulfillment, procurement, invoicing, transaction processing, customer relational management and back-end database and data warehouse integration and migration services.

### **83152 Application service provisioning**

This subclass includes:

- provision of leased software applications from a centralized, hosted, and managed computing environment:
  - with integration to the systems and infrastructure of the client (Frequently, consulting, customization and systems integration services are bundled with the hosting and management of the application)
  - where the leased application is not customized and not integrated with other applications of the client (The application is usually accessed over the World Wide Web. A common example is office suite software applications.)

### **83159 Other hosting and IT infrastructure provisioning services**

This subclass includes:

- collocation services, i.e. the provision of rack space within a secured facility for the placement of servers and enterprise platforms (The service includes the space for the client's hardware and software, connection to the Internet or other communication networks, and routine monitoring of servers. Clients are responsible for the management of the operating system, hardware, and software.)
- data storage services, i.e. the service of managing or administrating the storage and back-up management of data such as remote back-up services, storage, or hierarchical storage management (migration)
- data management services, i.e. the on-going management and administration of data as an organizational resource (Services may include performing data modeling, data mobilization, data mapping/rationalization, data mining and system architecture.)
- video and audio streaming services, i.e. the service of sending audio and video data over the Internet or providing services associated with the storage, production (including encoding), and support of video and audio streaming over the Internet
- other IT hosting or infrastructure provisioning services such as hosting client's application, processing client's data and computer time share

### **8316 IT infrastructure and network management services**

This class includes the service of managing and monitoring a client's IT infrastructure including hardware, software and networks.

#### **83161 Network management services**

This subclass includes the service of managing and monitoring communication networks and connected hardware to diagnose networking problems and gather capacity and usage statistics for the administration and fine-tuning of network traffic. These services also remotely manage security systems or provide security related services.

#### **83162 Computer systems management services**

This subclass includes the provision of day-to-day management and operation of a client's computer system.

#### **8319 Other management services, except construction project management services**

**83190 Other management services, except construction project management services**

This subclass includes:

- coordination and supervision services for resources in preparing, running and completing a project on behalf of the client
- project management services, which can involve budgeting, accounting and cost control, procurement, planning of time scales and other operating conditions, coordination of subcontractors' work, inspection and quality control, etc.
- project management services that include management and office management services, with or without the provision of their own staff

This subclass does not include:

- construction project management services, cf. 83330

**832 Architectural services, urban and land planning and landscape architectural services****8321 Architectural services and advisory services**

This class includes architectural services consisting in the design of buildings, except their engineering design. The services included in this class include the provision of advisory and pre-design services, designs and construction documents, plans, studies and other advisory services related to the design of buildings.

The architectural services can be provided in a bundle covering all stages of an architectural project from advisory, pre-design, design, or they can be provided individually. Advisory services, when provided separately are classified in 83211.

**83211 Architectural advisory services**

This subclass includes:

- expert witness services in the field of architecture consisting in the provision of testimony before a court or administrative body, by a witness who, by virtue of experience, training, skill or knowledge of architecture, is recognized as being qualified to render an informed opinion on matters relating to that field or subject
- the provision of advice, studies and reports on architectural matters

This subclass does not include:

- the provision of advice, studies and reports on architectural matters done in a bundle with other architectural services for a specific project, cf. according to the type of project in 83212, 83213, 83214

**83212 Architectural services for residential building projects**

This subclass includes architectural services for:

- single-family residential projects
- multi-family residential projects

**83213 Architectural services for non-residential building projects**

This subclass includes architectural services for:

- office building projects
- retail and restaurant projects
- hotels and convention centres
- health care projects
- entertainment, recreational and cultural building projects
- educational building projects
- industrial building projects
- transportation and distribution facility projects

- other non-residential building projects

**83214 Historical restoration architectural services**

This subclass includes:

- architectural services that incorporate legal requirements to preserve or restore the historic character of a building

**8322 Urban and land planning services**

**83221 Urban planning services**

This subclass includes:

- development services for plans concerning land use, site selection, control and utilization, road systems and servicing of land with a view to creating and maintaining systematic, coordinated urban development, such as:
  - comprehensive urban plans
  - community urban plans
  - element urban plans for specific amenities or objectives such as transportation, utilities, etc.
- feasibility studies
- studies of environmental impact and economic assessments of urban development plans are also included
- urban planning advisory services, such as expert witness, policy and program evaluation and other urban planning advisory services

**83222 Rural land planning services**

**83223 Project site master planning services**

This subclass includes services that provide plans for a construction site, showing the proposed location of buildings, roads, parking lots and other features, for:

- residential building projects
- non-residential building projects
- recreational and open-space projects

**8323 Landscape architectural services and advisory services**

This class includes the architectural services concerned with the design of the landscape. Landscape architectural services include the provision of designs and construction documents, plans, studies and other services related to specific landscape projects.

Landscape architectural advisory services, when not provided in a bundle with other landscape architectural services for a specific project, are classified in 83231.

**83231 Landscape architectural advisory services**

This subclass includes:

- expert witness services in the field of landscape architecture consisting in the provision of testimony before a court or administrative body, by a witness who, by virtue of experience, training, skill or knowledge of landscape architecture, is recognized as being qualified to render an informed opinion on matters relating to that field or subject
- the provision of advice, studies and reports on landscape architecture matters

This subclass does not include:

- provision of advice, studies and reports on landscape architecture matters done in a bundle with other landscape architectural services for a specific project, cf. 83232

**83232 Landscape architectural services**

This subclass includes landscape architecture services for:

- residential building projects:
  - single-family residential projects
  - multi-family residential projects
  - residential subdivision projects
- non-residential building projects:
  - corporate building projects
  - hotels, convention centres, stadiums and arenas
  - educational building projects
  - health care, penal institutions
  - other non-residential building projects
- recreational and open-space projects:
  - city centres and public squares
  - non-building recreational facilities, parks and natural areas
  - transportation corridors
  - resorts
  - other recreational and open space projects

This subclass also includes landscape architecture services related to:

- preparing and modifying terrain such as land clearing and grading plans, drainage designs, erosion and sediment control designs, retaining wall designs, outdoor sprinkler system plans
- facilitating access to a site such as lighting plans, signage plans, trail and path plans, accessibility designs
- structures with specialized uses

### **833 Engineering services**

This group includes the application of physical laws and principles in the design, development, and utilization of machines, materials, instruments, structures, processes, and systems. The services included in this group include the provision of designs, plans, and studies related to engineering projects.

#### **8331 Engineering advisory services**

#### **83310 Engineering advisory services**

This subclass includes:

- provision of advice to clients concerning engineering principles and methods, when performed independently of an engineering project, including policy analysis, regulatory studies and audits
- provision of testimony by a witness who, by virtue of experience, training, skill or knowledge of engineering, is recognized as being qualified to render an informed opinion on such matters
- engineering investigation of a failed engineered system or structure to determine causal factors

This subclass does not include:

- advice, studies, and reports performed in conjunction with a project, cf. based on the project type under 8332

#### **8332 Engineering services for specific projects**

#### **83321 Engineering services for building projects**

This subclass includes:

- provision of designs, plans, and studies related to residential building projects, such as:
  - new and existing homes
  - row housing, apartments, etc.

- mixed-use buildings that are predominantly used for residential housing
- provision of designs, plans, and studies related to new and existing commercial, public and institutional building projects, including mixed-use buildings that are predominantly used for commercial, public, or institutional purposes, such as:
  - office buildings
  - shopping centres
  - hotels and restaurants
  - service stations and warehouses
  - bus and truck terminals
  - hospitals, schools, churches
  - prisons, stadiums and arenas
  - libraries and museums

This subclass also includes:

- engineering advisory services that are related to a specific residential, commercial, public or institutional building project

This subclass does not include:

- engineering advisory services not related to a specific project, cf. 83310

### 83322

#### **Engineering services for industrial and manufacturing projects**

This subclass includes:

- engineering services related to industrial facilities and processes:
  - mining and metallurgical facilities such as mines, smelters, mills, mineral refineries, including integrated facility and process engineering projects
  - mining and metallurgical processes, such as mineral extraction, smelting, refining, metal forming
  - petroleum and petrochemical facilities such as oil and gas platforms, refineries, pipelines, petrochemical plants, including integrated facility and process engineering projects
  - processes for the production of petroleum and petrochemicals, such as extraction, refining, formulation, mixing
  - microelectronics facilities and processes, such as those that produce microprocessors, silicon chips and wafers, microcircuits, and semiconductors
  - textile and clothing facilities and processes
  - iron and steel facilities and processes
  - other industrial and manufacturing facilities and processes, n.e.c.
- engineering services related to the design of industrial and manufactured products, such as:
  - industrial machinery such as agricultural, construction, mining, metalworking, commercial and service industry, heating, ventilating and air-conditioning, power transmission machinery
  - electronic equipment such as computers and peripheral equipment, communications equipment, audio and video equipment, semiconductors and other electronic components
  - electrical equipment such as lighting, major and minor appliances and components thereof
  - transportation equipment such as motor vehicles, aircraft, trains, marine vessels, space vehicles
  - industrial and manufactured products not elsewhere classified

This subclass does not include:

- research and development services, cf. 81
- industrial design services, cf. 83912

### 83323

#### **Engineering services for transportation projects**

This subclass includes all engineering services (including provision of designs, plans, and studies) related to:

- highways, roads and streets, including elevated highways used for motor vehicle traffic
- bridges and tunnels
- ancillary road transport facilities such as rest stops, weigh stations, toll booths

- mass transit systems, such as light rail or subway systems
- railways and related structures
- railway bridges and tunnels
- marine and inland ports
- harbours, locks, canals, and dams primarily used for transportation purposes
- airports, runways, hangars
- other aviation facilities
- space transportation projects
- oil and gas transportation projects
- other transportation projects n.e.c.

#### **83324 Engineering services for power projects**

This subclass includes:

- engineering services related to facilities that generate electrical power from:
  - coal and other fossil-fuel energy such as oil and gas
  - nuclear energy
  - the energy in falling water
  - other energy, such as solar power, wind power, geothermal power including cogeneration facilities
- engineering services related to overhead or underground electrical power transmission and distribution lines

#### **83325 Engineering services for telecommunications and broadcasting projects**

This subclass includes:

- engineering services related to systems for the transmission of voice and data between network termination points by copper wire, fibre-optic cable, co-axial cable, and hybrid fibre-coax cable
- engineering services related to systems for the transmission of voice, data and programming between network termination points by short-wave or microwave, such as:
  - wireless telephony systems
  - satellite radio systems
  - direct-broadcast satellite systems
- engineering services related to systems for the transmission of radio and television signals
- engineering services related to systems for the transmission or distribution of voice, data or programming, not elsewhere classified

#### **83326 Engineering services for waste management projects (hazardous and non-hazardous)**

This subclass includes:

- engineering services related to household garbage collection and disposal systems, such as:
  - recycling facilities
  - composting facilities
  - transfer stations
  - resource recovery facilities
  - landfill sites
- engineering services related to programs for the collection, treatment, recycling, and disposal of industrial air, water and solid wastes, generally to a level such that the remaining waste stream can be safely released to the natural environment or ordinary municipal systems
- engineering services related to programs for hazardous waste remediation, such as:
  - management of nuclear waste
  - chemical agent destruction
  - brownfield redevelopment
  - ground water modeling
  - contaminated site remediation

#### **83327 Engineering services for water, sewerage and drainage projects**

This subclass includes:

- engineering services related to systems for the collection, distribution, treatment, and disposal of water such as:
  - drinking water distribution systems, pumping stations, reservoirs, water storage facilities, water transmission and distribution mains including dams used primarily for local drinking water distribution and desalination plants
  - systems for storm water management, drainage and detention systems including dams used primarily for flood control
  - systems for the collection, treatment, and disposal of waste water
  - irrigation systems and water pipelines including dams primarily used for irrigation

### **83329 Engineering services for other projects**

This subclass includes:

- engineering services related to:
  - natural gas and steam distribution projects
  - other utility projects n.e.c.
- engineering services related to systems, processes, facilities or products not elsewhere classified including the provision of designs, plans and studies related to them

### **8333 Project management services for construction projects**

### **83330 Project management services for construction projects**

This subclass includes:

- services of assuming overall responsibility for the successful completion of a construction project on behalf of a client, including organizing the financing and the design, requesting tenders, and performing management and control functions
- project management services provided by engineers or architects

This subclass does not include:

- general construction services, cf. 541, 542

### **834 Scientific and other technical services**

### **8341 Geological, geophysical and other prospecting services**

### **83411 Geological and geophysical consulting services**

This subclass includes:

- geological consulting services relating to mineral deposits, oil and gas fields and groundwater by studying the properties of the earth and rock formation and structures
- provide advice with regard to exploration and development of mineral, oil and natural gas properties
- evaluation of geological, geophysical and geochemical anomalies
- geological mapping or surveying at surface or subsurface

### **83412 Geophysical services**

This subclass includes:

- services providing information on subsurface earth formations by different methods:
  - seismographic, gravimetric, magnetometric methods
  - other subsurface surveying methods

This subclass does not include:

- test drilling and boring work, cf. 54320

**83413 Mineral exploration and evaluation****8342 Surface surveying and map-making services****83421 Surface surveying services**

This subclass includes:

- gathering services of information on the shape, position and/or boundaries of a portion of the earth's surface by different methods, including transit, photogrammetric and hydrographic surveying, for the purpose of preparing maps
- collection of data by satellite
- land surveying services (e.g., marking of property, boundary marking)

**83422 Map-making services**

This subclass includes:

- map-making services consisting in the preparation and revision of maps of all kinds (e.g. road, cadastral, topographic, planimetric, hydrographic), using the results of survey activities, other maps and other information sources

This subclass does not include:

- publishing of maps, atlases and globes, cf. 32220, 89110

**8343 Weather forecasting and meteorological services****83430 Weather forecasting and meteorological services****8344 Technical testing and analysis services****83441 Composition and purity testing and analysis services**

This subclass includes:

- testing and analysis services for the chemical and biological properties of materials such as air, water, waste (municipal and industrial), fuels, metal, soil, minerals, food and chemicals
- testing and analysis services in related scientific fields such as microbiology, biochemistry, bacteriology, etc.

This subclass does not include:

- medical and dental testing services, cf. 93195

**83442 Testing and analysis services of physical properties**

This subclass includes:

- testing and analysis services of physical properties such as strength, ductility, electrical conductivity and radioactivity of materials such as metals, plastics, textiles, woods, glass, concrete and other materials
- tests for tension, hardness, impact resistance, fatigue resistance and high-temperature effects

**83443 Testing and analysis services of integrated mechanical and electrical systems**

This subclass includes:

- testing and analysis services for the mechanical and electrical characteristics of complete machinery, motors, automobiles, tools, appliances, communication equipment and other equipment incorporating mechanical and electrical components. The results of the testing and analysis generally take the form of an assessment of the performance and behavioural characteristics of the object tested. Tests may be performed using models or mock-ups of ships, aircraft, dams, etc.

**83444 Technical inspection services of road transport vehicles**

This subclass includes:

- periodical technical inspection services for automobiles, motorcycles, buses, lorries, trucks and other road transport vehicles

This subclass does not include:

- damage assessment services, cf. 71620
- maintenance and repair services for motor vehicles and motorcycles, cf. 87141, 87142

**83449 Other technical testing and analysis services**

This subclass includes:

- testing and analysis services of a technical or scientific nature that do not alter the object being tested
- radiographic, magnetic, and ultrasonic testing of machine parts and structures in order to identify defects. These tests are often conducted on site.
- certification of ships, aircraft, dams, etc.
- certification and authentication of works of art
- radiological inspection of welds
- all other technical testing and analysis services not elsewhere classified

This subclass does not include:

- assessment of damages services on behalf of insurance companies, cf. 71620
- technical inspection services for automobiles, cf. 83444
- medical analyses and testing services, cf. 93195

**835 Veterinary services****8351 Veterinary services for pet animals****83510 Veterinary services for pet animals**

This subclass includes:

- animal and veterinary hospital and non-hospital medical, surgical and dental services delivered to pet animals. The services are aimed at curing, restoring and/or maintaining the health of the animal.
- hospital, laboratory and technical services, foods (including special diets) and other facilities and resources

**8352 Veterinary services for livestock****83520 Veterinary services for livestock**

This subclass includes:

- animal and veterinary hospital and non-hospital medical, surgical and dental services delivered to livestock. The services are aimed at curing, restoring and/or maintaining the health of the animal.
- hospital, laboratory and technical services, foods (including special diets) and other facilities and resources

This subclass does not include:

- services related to animal husbandry such as artificial insemination, cf. 86121

**8359 Other veterinary services****83590 Other veterinary services**

This subclass includes:

- animal and veterinary hospital and non-hospital medical, surgical and dental services delivered to animals other than pets or livestock (including zoo animals and animals raised for their fur production or other products). The services are aimed at curing, restoring and/or maintaining the health of the animal.
- hospital, laboratory and technical services, foods (including special diets) and other facilities and resources

This subclass does not include:

- services related to animal husbandry such as artificial insemination, cf. 86121

**836 Advertising services and provision of advertising space or time**

**8361 Planning, creating and placement services of advertising and related services**

**83611 Planning, creating and placement services of advertising**

This subclass includes:

- planning, creation and execution services of advertising, including:
  - selection of media to be used

This subclass does not include:

- TV programme production services, cf. 96121

#### **83814 Specialty photography services**

This subclass includes:

- services consisting of photographing landscapes, structures and other surfaces from aircraft or helicopters
- services consisting of photographing persons, objects or scenery using special apparatus and techniques. Examples of such services are:
  - underwater photography
  - medical and biological photography
  - photomicrography

This subclass does not include:

- photogrammetric recordings and collection of data by satellites, cf. 83421
- services of press photographers and photojournalists, cf. 844

#### **83815 Restoration and retouching services of photography**

This subclass includes:

- services consisting of old photograph restoration
- retouching and other special photographic effects

#### **83819 Other photographic services**

This subclass includes:

- microfilming services

This subclass does not include:

- photocopying services, cf. 85951

**8382 Photography processing services**

**83820 Photography processing services**

This subclass includes:

- services consisting primarily of the development of negatives and the printing of pictures for others according to customer specifications:
  - enlargement of negatives or slides
  - black and white processing
  - colour printing
  - slide and negative duplicates, reprints, etc.
- services consisting of the development of film for both amateur photographers and commercial clients
- preparation services for photographic slides
- copying services for films
- converting of photographs and films to other media

This subclass does not include:

- processing services of motion picture film and post-production services, cf. 9613

**839 Other professional, technical and business services n.e.c.**

**8391 Specialty design services**

**83911 Interior design services**

This subclass includes:

- interior design services such as the planning and designing of interior spaces to meet the physical, aesthetic and functional needs of people
- drawing up of designs for interior decorating
- interior decorating, including dressing of windows and stalls

**83912 Industrial design services**

This subclass includes:

- design services for industrial products

This subclass does not include:

- engineering services for the design of industrial products, cf. 83322

**83919 Other specialty design services**

This subclass includes:

- services consisting of creating designs and preparing patterns for a variety of products by harmonizing aesthetic considerations with technical and other requirements, such as:
  - furniture designs
  - aesthetic design for various other customer products
- package design services
- production of three-dimensional models
- graphic design services

**8392 Design originals**

**83920 Design originals**

**8393 Scientific and technical consulting services n.e.c.****83931 Environmental consulting services**

This subclass includes:

- environmental assessments, i.e. objective studies undertaken for any one or more of the following purposes: identify whether or not environmental contamination exists at a particular site, and if so the source, nature, and extent of the contamination; assess the risk to public safety and health from environmental contamination associated with a project that is proposed or in place; evaluate the impact on the ecology or economy of environmental changes resulting from human or natural activities
- environmental audits, i.e. independent assessment of the current status of a party's compliance with applicable environmental requirements or of a party's environmental compliance policies, practices and controls
- site remediation planning services, i.e. preparation of plans for the abatement of environmental contamination, usually at a specific site, that incorporate such technical or other requirements as may be prescribed by law or regulation
- evaluation of environmental studies, i.e. provision of analysis that explains the strengths or weaknesses of an environmental study and provides the basis for alternative judgments. The evaluation of environmental studies may also include an analysis of future responses to environmental regulators
- natural resource management consulting, i.e. provision of objective information, advice, or guidance concerning the best practices for ecologically sustainable development and use of: land; forests; bodies of water; gas, oil, and mineral deposits; wildlife populations and other natural resources

**83939 Other scientific and technical consulting services n.e.c.**

This subclass includes:

- scientific consulting services from mathematicians, statisticians, etc.

**8394 Original compilations of facts/information****83940 Original compilations of facts/information**

This subclass includes:

- original compilations of facts or information organized for retrieval and consultation, including mailing lists

These compilations are protectable in their presentation, but not their content.

This subclass does not include:

- compilation services of facts and information, cf. 83990
- mailing list compilation, cf. 85952

**8395 Translation and interpretation services****83950 Translation and interpretation services**

This subclass includes:

- services generally related to the translation of texts from one language to another, resulting in a written document
- interpretation services are generally concerned with stating orally in one language what has been stated orally in another language

**8399 All other professional, technical and business services, n.e.c.**

**83990 All other professional, technical and business services, n.e.c.**

This subclass includes:

- drafting services (detailed layouts, drawings, plans and illustrations of buildings, structures, systems or components from engineering and architectural specifications, done by architectural draftsmen or engineering technicians)
- compilation services of facts and information, other than mailing lists

This subclass does not include:

- mailing list compilation services, cf. 85952

**Division 84 Telecommunications, broadcasting and information supply services**

**841 Telephony and other telecommunications services**

**8411 Carrier services**

**84110 Carrier services**

This subclass includes:

- provision by a telecommunication carrier of wired or wireless facilities to originate, terminate or transit calls for another telecommunications service provider
- charging for interconnection, settlement or termination of domestic or international calls
- charging long-distance carriers for calls originating at a pay phone or within another carriers local network
- charging for jointly used facilities such as pole attachments
- charging for the exclusive use of circuits

This subclass does not include:

- carriage of Internet traffic by one ISP for another ISP, cf. 84210

**8412 Fixed telephony services**

This class includes:

- provision of access to the public switched telephone network for the transmission and switching of voice, data, and video where the call is made from a fixed customer location
- call management services for use from a fixed customer location for a fee separate from the access fee

**84121 Fixed telephony services - access and use**

This subclass includes:

- provision of access to and use of the public switched telephone network for the transmission and switching of voice, data, and video from a fixed customer location or from public and semi-public coin and card operated phones
- inbound and outbound telephony to and from national and international destinations
- provision of Short Message Service (SMS) and Multimedia Messaging Service (MMS)
- calling features bundled with the access service

This subclass does not include:

- provision of private line services, cf. 84140
- provision of a local loop to other telecommunications service providers, cf. 84110
- rental of terminal equipment, cf. 73125
- provision of calling features for a separate fee, cf. 84122

**84122 Fixed telephony services - calling features**

This subclass includes:

- provision of call management services for use from a fixed customer location for a fee, separate from the access fee. This service is made possible by specialized software and database applications linked to telecommunications networks. It includes features such as:
  - call waiting, call forwarding, caller identification, three-way calling, call display, call return, call screen, call blocking, automatic call-back, call answer, voice mail and voice menus

**8413 Mobile telecommunications services**

This class includes:

- provision of access to, and use of, switched or non-switched networks for the transmission of voice, data and video where the call originates from or terminates into a portable handset or device, such as cellular and satellite phones, pagers and mobile radios, for example:
  - PCS (Personal Communications Services)
  - ESMR (Enhanced Specialized Mobile Radio)
  - WLAN (Wireless Local Area Network)
- call management services for use from a mobile device for a fee separate from the fee for mobile access

**84131 Mobile telecommunications services - access and use**

This subclass includes:

- provision of access to, and use of, switched or non-switched networks for the transmission of voice, data, and video where the call originates from or terminates into a portable handset or device, such as cellular, PCS (Personal Communications Services), ESMR (Enhanced Specialized Mobile Radio), and satellite phones; pagers; and mobile radios
- calling features bundled with the access service
- wireless telephony and wireless data transmission services

This subclass does not include:

- provision of a connection to the Internet compatible with mobile devices, cf. 8422
- provision of calling features for a separate fee, cf. 84132
- provision of satellite facilities to originate, terminate or transit calls for another telecommunications service provider, cf. 84110
- provision of satellite facilities on a pay-as-you-use basis for the transmission of data to and from fixed locations, cf. 84150
- provision of satellite facilities for the exclusive use of the customer, cf. 84140

**84132 Mobile telecommunications services - calling features**

This subclass includes:

- provision of call management services for use with a portable handset or device for a fee separate from the access fee. This service is made possible by specialized software and database applications linked to telecommunications networks. It includes features such as:
  - call waiting, call forwarding, caller identification, three-way calling, call display, call return, call screen, call blocking, automatic call-back, call answer, voice mail and voice menus

**8414 Private network services****84140 Private network services**

This subclass includes:

- provision of wired or wireless telecommunication links between specified points for the exclusive use of the client

This subclass does not include:

- provision of private links by a telecommunication carrier to a telecommunication service provider, cf. 84110

**8415 Data transmission services**

**84150 Data transmission services**

This subclass includes:

- provision of access to wired or wireless facilities and services specifically designed for the efficient transmission of data on a pay-as-you-use basis

This subclass does not include:

- provision of wired or wireless telecommunication links between specified points for the exclusive use of the client, cf. 84140

**8419 Other telecommunications services**

**84190 Other telecommunications services**

This subclass includes:

- provision of telecommunications services not elsewhere classified, such as telegraph, telex and audio conferencing bridging services

**842 Internet telecommunications services**

This group includes the carriage of traffic on, access to and telecommunications services on the Internet and similar distributed computer networks that rely on, but are not part of, the normal telecommunications network.

**8421 Internet backbone services**

**84210 Internet backbone services**

This subclass includes:

- carrier services of Internet traffic by one ISP for another ISP (generally known in the industry as peering and transit charges)

**8422 Internet access services**

This class includes:

- provision of a direct connection to the Internet, both wired and wireless. The Internet Service Provider (ISP) may also provide free services along with Internet access such as e-mail, space for the customer's web page, tools for simple web page design, chat, and technical support. This service may also include remote access or other types of Internet access and package upgrades such as international roaming and extra e-mail boxes, usually for additional costs to customers.

**84221 Narrow-band internet access services**

This subclass includes:

- provision of a direct connection to the Internet, both wired and wireless, generally accessed through dial-up connection. The Internet Service Provider (ISP) may also provide free services along with Internet access such as e-mail, space for the customer's web page, tools for simple web page design, chat, and technical support. This service may also include remote access or other types of Internet access and package upgrades such as international roaming and extra e-mail boxes, usually for additional costs to customers.

**84222 Broad-band internet access services**

This subclass includes:

- provision of a direct connection to the Internet, both wired and wireless, usually always on. The Internet Service Provider (ISP) may also provide free services along with Internet access such as e-mail, space for the customer's web page, tools for simple web page design, chat, and technical support. This service may also include remote access or other types of Internet access and package upgrades such as international roaming and extra e-mail boxes, usually at additional cost to customers.

**8429 Other Internet telecommunications services****84290 Other Internet telecommunications services**

This subclass includes:

- provision of telecommunications services over the Internet other than Internet access
- This includes services such as fax, telephony, audio conferencing and video conferencing over the Internet.

**843 On-line content****8431 On-line text based information****84311 On-line books**

This subclass includes:

- on-line books, including school textbooks, general reference books, such as atlases and other books of maps or charts, dictionaries, encyclopedias and directories

**84312 On-line newspapers and periodicals**

This subclass includes:

- publications issued on the Internet where the main content is updated at fixed intervals, usually on a daily, weekly or monthly basis; whether on subscription or single copy sales
- portions of newspapers such as headlines e-mailed daily or more frequently
- periodic newsletters

This subclass does not include:

- digital archives, cf. 84520

**8432 On-line audio content****84321 Musical audio downloads**

This subclass includes:

- electronic files containing musical audio recordings that can be downloaded and stored on a local device

**84322 Streaming audio content**

This subclass includes:

- streamed audio data sent over the Internet

**8433 On-line video content****84331 Films and other video downloads**

This subclass includes:

- electronic files containing films and other video recordings that can be downloaded and stored on a local device

**84332 Streaming video content**

This subclass includes:

- streamed video data sent over the Internet

**8434 Software downloads**

**84341 System software downloads**

This subclass includes:

- electronic files containing system software that can be downloaded and stored on a local device for later execution/installation

**84342 Application software downloads**

This subclass includes:

- electronic files containing application software that can be downloaded and stored on a local device for later execution/installation

**8439 Other on-line content and interactive software**

**84391 On-line games**

This subclass includes:

- games that are intended to be played on the Internet such as:
  - role-playing games (RPGs)
  - strategy games
  - action games
  - card games
  - children's games

Payment for these services may be by subscription or pay-per-play.

This subclass does not include:

- on-line gambling services, cf. 96921

**84392 On-line software**

This subclass includes:

- software that is intended to be executed on-line, except game software

This subclass does not include:

- software downloads, cf. 84341, 84342
- on-line games, cf. 84391
- on-line gambling services, cf. 96921

**84393 On-line adult content**

This subclass includes provision services of:

- mature theme, sexually explicit content published or broadcast over the Internet including graphics, live feeds, interactive performances and virtual activities

Payment may be by methods such as subscription, membership fee or pay-per-view.

This subclass does not include:

- adult content in on-line newspapers, periodicals, books, directories, cf. 8431
- adult content in digital archives, cf. 84520

**84394 Web search portals**

This subclass includes:

- content provided on web search portals, i.e. extensive databases of Internet addresses and content in an easily searchable format

**84399 Other on-line content**

This subclass includes:

- statistics or other information, including streaming news
- other on-line content not included above such as greeting cards, jokes, cartoons, graphics, maps

**844 News agency services**

**8441 News agency services to newspapers and periodicals**

**84410 News agency services to newspapers and periodicals**

This subclass includes:

- gathering, investigating and supply services of news in the form of manuscripts or of news pictures to printed media businesses such as newspapers, periodicals and books
- services rendered by independent journalists and press photographers

**8442 News agency services to audio-visual media**

**84420 News agency services to audio-visual media**

This subclass includes:

- gathering, investigating and supply services of news (manuscripts, photos, images) to radio or television stations and movie companies
- services rendered by independent journalists and press cameramen

**845 Library and archive services**

**8451 Library services**

**84510 Library services**

This subclass includes:

- collection, cataloguing, conservation and retrieval services of books and the like
- lending services of books and records

This subclass does not include:

- renting services of videotapes, cf. 73220
- renting services of books, cf. 73290

**8452 Archive services**

**84520 Archive services**

This subclass includes:

- operation (collection, cataloguing, conservation and retrieval) services of public archives, including digital archives
- operation services of historical archives, including digital archives

**846 Broadcasting, programming and programme distribution services**

**8461 Radio and television broadcast originals**

**84611 Radio broadcast originals**

This subclass includes:

- original radio content protectable as intellectual property, produced for transmission over the air

**84612 Television broadcast originals**

This subclass includes:

- original television content protectable as intellectual property, produced for transmission over the air

**8462 Radio and television channel programmes**

**84621 Radio channel programmes**

This subclass includes:

- assemblies of radio programs and broadcasts as the daily line-up of a station for distribution by others

**84622 Television channel programmes**

This subclass includes:

- assemblies of television programs and broadcasts as the daily line-up of a channel for distribution by others

**8463 Broadcasting services and multi-channel programme distribution services**

This class includes:

- providing audio and/or video programming on a subscription basis in analogue or digital mode by using a cable, satellite or wireless terrestrial network

The programming is provided in packages that consist of a set of predefined channels or one time viewing packages.

**84631 Broadcasting services**

This subclass includes:

- programme selection, scheduling and broadcasting of television and radio programmes
- combined programme production and broadcasting services

This subclass does not include:

- Internet broadcasting services (streaming services), cf. 83159

**84632 Home programme distribution services, basic programming package**

This subclass includes:

- providing subscriber access to a basic range of programming services generally for a monthly fee
- This package contains the minimum number of channels available to subscribers, as defined by each cable, satellite or MDS operator, and must be purchased to obtain any higher-level programming package. Charges for initial connection to the network, or for reconnection to the network, are included here.

**84633 Home programme distribution services, discretionary programming package**

This subclass includes:

- providing subscriber programming services in addition to those included in the basic package for a fee separate from, and in addition to, the basic monthly fee

This programming service can be provided in bundles determined by the cable, satellite or MDS operator, in bundles determined by the subscriber, or à la carte.

**84634 Home programme distribution services, pay-per-view**

This subclass includes:

- providing subscribers the ability to view a specific program (movie or event) from his home for a fee separate from, and in addition to, the monthly fee for basic or discretionary programming packages

**Division 85 Support services****851 Employment services****8511 Personnel search and referral services**

This class includes the provision of intermediation services between prospective employees and employers.

**85111 Executive/retained search services**

This subclass includes specialized search and recruitment service limited to filling highly paid executive, senior manager, and professional positions, according to client specifications. Included are the services of:

- conducting detailed interviews with the client organization's management team
- developing job profiles, conducting original research and advertising to locate potential job candidates
- screening possible candidates, preparing, presenting, and discussing a confidential list of highly qualified applicants with the client
- making interview arrangements, negotiating compensation, and providing post-hire follow-up

The prospective employee/client makes the decision as to which candidate to hire. The fee for the services provided is charged whether or not the candidate is hired. This service is also known as retained search.

**85112 Permanent placement services, other than executive search services**

This subclass includes:

- testing, interviewing, reference checking, evaluation and counseling of prospective employees
- recruiting, selecting and referring candidates to the client to fill positions on a permanent (indeterminate) basis

The services may be procured by the potential employer or by the prospective employee. The candidate is selected and hired by the prospective employee.   - "While-you-wait" services such as cutting of keys, fitting of heels, plastic coating of identity cards etc.
- 873 Installation services (other than construction)**
- Installation services in this group typically include the physical placement, configuration, set-up, and testing of proper operation.
- 8731 Installation services of fabricated metal products, except machinery and equipment**
- 87310 Installation services of fabricated metal products, except machinery and equipment**
- 8732 Installation services of industrial, manufacturing and service industry machinery and equipment**
- 87320 Installation services of industrial, manufacturing and service industry machinery and equipment**
- 8733 Installation services of office and accounting machinery and computers**

**87331 Installation services of computers and peripheral equipment**

This subclass includes:

- installation of computer hardware
- installation of software

This subclass does not include:

- installation of telecommunications and electricity wiring, cf. 54611

**87332 Installation services of office and accounting machinery****8734 Installation services of radio, television and communications equipment and apparatus****87340 Installation services of radio, television and communications equipment and apparatus****8735 Installation services of professional medical machinery and equipment, and precision and optical instruments****87350 Installation services of professional medical machinery and equipment, and precision and optical instruments****8736 Installation services of electrical machinery and apparatus n.e.c.****87360 Installation services of electrical machinery and apparatus n.e.c.****8739 Installation services of other goods n.e.c.****87390 Installation services of other goods n.e.c.****Division 88 Manufacturing services on physical inputs owned by others**

Services in Division 88 are characterized as outsourced portions or parts of a total production process. The services included in Division 88 are performed on the physical inputs owned by units other than the units providing the service.

**881 Manufacturing services on physical inputs owned by others (except machinery and equipment)****8811 Food, beverage and tobacco manufacturing services****88111 Food and beverage manufacturing services**

This subclass includes:

- slaughtering of meat, including poultry meat
- cooking, preserving, freezing, and other treatment services of fish, meat including poultry meat and derived products
- cooking, preserving, concentration, freezing and other treatment services of fruit, vegetables and derived products

**88112 Tobacco manufacturing services****8812 Textile, wearing apparel and leather product manufacturing services****88121 Textile manufacturing services**

This subclass includes:

- preparation and spinning services of textile fibres
- weaving services of textiles
- manufacturing services of other fabrics and textiles, carpets, rope, netting etc.

**88122 Textile finishing services**

This subclass includes:

- bleaching and dyeing of textile fibres, yarns, fabrics, textile articles or wearing apparel
- dressing, drying, steaming, shrinking, mending, Sanforizing, mercerizing of textiles, textile articles or wearing apparel
- waterproofing, coating, rubberizing or impregnating textiles or garments

This subclass does not include:

- dyeing and colouring services of apparel and other textile articles not in connection with production of such items, cf. 97150

**88123 Wearing apparel manufacturing services**

**88124 Leather product manufacturing services**

**8813 Wood and cork, except furniture, and straw and plaiting material manufacturing services**

**88130 Wood and cork, except furniture, and straw and plaiting material manufacturing services**

This subclass includes:

- impregnation or chemical treatment services of wood with preservatives or other material
- drying of timber

This subclass does not include:

- impregnation and waterproofing services of roofs and buildings, cf. 54530
- disinfection and extermination services in buildings and the like, cf. 85310

**8814 Paper and paper product manufacturing services**

**88140 Paper and paper product manufacturing services**

**8815 Coke, refined petroleum product and nuclear fuel manufacturing services**

**88151 Coke and refined petroleum product manufacturing services**

This subclass includes:

- refinement services of petroleum products

**88152 Nuclear fuel manufacturing services**

This subclass includes:

- reprocessing services of nuclear fuels or radioactive waste

**8816 Chemical and chemical product manufacturing services**

**88160 Chemical and chemical product manufacturing services**

**8817 Rubber and plastic products manufacturing services**

**88170 Rubber and plastic products manufacturing services**

This subclass includes:

- services of cutting, threading, coating or processing of plastic surfaces
- other manufacturing services of rubber or plastic products on materials owned by others

This subclass does not include:

- plastic coating services of metal surfaces, cf. 88211
- manufacturing services of plastic parts by plastification processes for third parties in accordance with their specifications, cf. 89200
- parts of cellular, stratified or reinforced plastic materials, moulded parts with fibre core; plastic parts, rolled, calendered, extruded, etc; vacuum plating of plastic objects, etc., cf. 89200

**8818 Non-metallic mineral product manufacturing services**

**88180 Non-metallic mineral product manufacturing services**

**8819 Other manufacturing services, except of metal products, machinery and equipment**

**88190 Other manufacturing services, except of metal products, machinery and equipment**

This subclass includes:

- finishing of furniture services (except upholstering of chairs and seats)
- lacquering, varnishing, gliding and painting services of furniture

**882 Manufacturing services performed on metals and metal products, machinery and equipment, owned by others**

**8821 Manufacturing services performed on metals and metal products owned by others**

**88211 Metal treatment and coating services**

This subclass includes:

- metallic coating services by immersion in molten metals
- metallic coating services by thermal spraying
- metallic coating services in zinc, by electrolysis and chemical treatment
- coating services in other metals (nickel, copper, chromium, etc.), by electrolysis and chemical treatment
- plastic coating including of metal surfaces
- other coating services (phosphatizing, etc.)
- heat treatment of metal services (other than metallic coating)
- painting, varnishing of metal
- anodizing services
- vapour deposition services (CVD/PVD)
- other metallic surface treatment services

This subclass does not include:

- vacuum coating services of plastic parts, cf. 89200

**88212 General machining services on metal and metal products owned by others**

This subclass includes:

- general machining services such as boring, turning, milling, eroding, planing, lapping, broaching, levelling, sawing, grinding, sharpening, welding, splicing, etc., of metal work pieces

**88213 Primary metal manufacturing services**

This subclass includes:

- contract smelting of ferrous and non-ferrous metals

**88214 Weapons and ammunition manufacturing services**

This subclass includes:

- production services for weapons and ammunition

**88219 Other fabricated metal product manufacturing services and metalworking services**

This subclass includes:

- production services of grinding and cutting parts made of hard metallic carbides

**8822 Transport equipment manufacturing services****88221 Motor vehicle, trailer and semi-trailer manufacturing services****88229 Other transport equipment manufacturing services****8823 Machinery and equipment, except transport equipment, manufacturing services****88231 Computing machinery manufacturing services****88232 Other office and accounting machinery manufacturing services****88233 Electrical machinery and apparatus manufacturing services****88234 Radio, television and communication equipment and apparatus manufacturing services****88235 Medical, precision and optical instrument, watch and clock manufacturing services****88239 Other machinery and equipment manufacturing services****Division 89 Other manufacturing services****891 Publishing, printing and reproduction services**

Manufacturing services in this group typically involve the transfer of intangible inputs, rather than physical inputs, when outsourcing a portion of the total production process. The units providing the service do not own or retain usage rights to the intangible inputs.

**8911 Publishing, on a fee or contract basis****89110 Publishing, on a fee or contract basis**

This subclass includes:

- publishing on a fee or contract basis of printed matter, software

**8912 Printing and reproduction services of recorded media, on a fee or contract basis****89121 Printing services and services related to printing, on a fee or contract basis**

This subclass includes:

- newspaper printing services
- book printing services
- bookbinding, folding, assembling, stitching, gluing, collating, basting, adhesive-binding, trimming, gold stamping services
- other finishing services such as folding, cutting, stamping, drilling, punching, perforating, embossing,

- sticking, gluing and laminating
- services of processing matrices, films, bromide prints or electronic data in order to generate original texts to be reproduced (composition, photo composition)
- services of processing matrices, films, bromides prints or electronic data in order to generate original texts to be reproduced (plate-making)
- services combining text and image techniques for making a reproducible original
- production services of other reprographic products such as overhead projection foils, sketches, lay-outs, dummies
- preparation services of digital data, e.g., enhancement, selection, linkage of digital data stored on EDP data carriers
- other graphic service activities
- other printing services n.e.c.
- rebinding services

This subclass does not include:

- printing services of textiles, cf. 88121

**89122      Reproduction services of recorded media, on a fee or contract basis**

This subclass includes:

- reproduction services from master copies of gramophone records, compact disks and tapes with music or other sound recordings
- reproduction services from master copies of videotapes, laser discs, DVD or other media with motion pictures and other video recordings
- reproduction services from master copies of software and data on all kind of disks, tapes, cartridges and other media

**892          Moulding, pressing, stamping, extruding and similar plastic manufacturing services**

**8920        Moulding, pressing, stamping, extruding and similar plastic manufacturing services**

**89200      Moulding, pressing, stamping, extruding and similar plastic manufacturing services**

This subclass includes:

- manufacturing services of plastic parts by plastification processes for third parties in accordance with their specifications. These parts may include reinforcing elements of glass fibre, carbon fibre, etc. Included here are manufacturing services of moulded or heat-moulded parts of thermoplastic or thermosetting materials.
- parts of cellular, stratified or reinforced plastic materials, moulded parts with fibre core; plastic parts, rolled, calendered, extruded, etc., vacuum plating of plastic objects, etc.
- manufacturing services of intermediate plastic products, not identifiable in the Harmonized Commodity Description and Coding System

**893          Casting, forging, stamping and similar metal manufacturing services**

**8931        Metal casting services**

**89310      Metal casting services**

This subclass includes:

- casting services of malleable cast iron
- casting services of spheroidal cast iron
- casting services of grey cast iron
- casting services of steel
- casting services of light metals
- casting services of other non-ferrous metals

**8932 Metal forging, pressing, stamping, roll forming and powder metallurgy services****89320 Metal forging, pressing, stamping, roll forming and powder metallurgy services**

This subclass includes:

- metal forging services
- cold extrusion or roll-forming services
- non-ferrous metal stamping services, from drawings
- metal roll-forming services
- cutting and stamping, from drawings
- manufacturing services of metal objects, directly from metal powders, by heat treatment (sintering) or pressure

**894 Recycling services, on a fee or contract basis****8941 Metal waste and scrap recovery (recycling) services, on a fee or contract basis****89410 Metal waste and scrap recovery (recycling) services, on a fee or contract basis**

This subclass includes:

- processing services of metal waste and scrap and of metal articles, whether or not used, into secondary raw material. Typical input consists of waste and scrap being sorted or unsorted but always unfit for further direct use in an industrial process, whereas the output is made fit for further processing and is to be considered then as an intermediate good. A process is required, either mechanical or chemical. Examples are:
  - mechanical crushing of metal waste such as used cars, washing machines, bikes, etc., with subsequent sorting and separation
  - mechanical reduction of large iron pieces such as railway wagons
  - stripping of used goods such as cars in order to obtain reusable parts
  - stripping of used goods such as cars or refrigerators to strip them of harmful waste (oil, cooling liquid, fuel, etc.)

This subclass does not include:

- wholesale trade services in waste and scrap including collecting, sorting, packing, dealing, etc. without an industrial process, cf. 61295
- reprocessing services of depleted thorium or uranium, cf. 88152
- recycling on own account: whether still resulting in waste and scrap or new products, see corresponding subclasses of sections 0-4

**8942 Non-metal waste and scrap recovery (recycling) services, on a fee or contract basis****89420 Non-metal waste and scrap recovery (recycling) services, on a fee or contract basis**

This subclass includes:

- processing services of non-metal waste and scrap and of non-metal articles, whether or not used, into secondary raw material. Typical input consists of waste and scrap being sorted or unsorted but always unfit for further direct use in an industrial process, whereas the output is made fit for further processing and is to be considered then as an intermediate good. A process is required, either mechanical or chemical. Examples are:
  - reclaiming of rubber such as used tires to produce secondary raw material
  - sorting and pelleting of plastics to produce secondary raw material for tubes, flower pots, pallets and the like
  - reclaiming of chemicals from chemical waste
  - crushing, cleaning and sorting of glass
  - crushing, cleaning and sorting of other waste such as demolition waste to obtain secondary raw

material

This subclass does not include:

- wholesale trade services in waste and scrap including collecting, sorting, packing, dealing, etc. without an industrial process, cf. 61295

This subclass includes:

- educational services at ISCED Level 2 generally aiming to complete the provision of basic skills and knowledge of the primary level, although teaching is typically more subject-focused, often employing more specialised teachers who conduct classes in their field of specialisation. These services cover education that prepares participants for direct entry, without further training, into specific occupations. Successful completion of such programmes leads to a labour-market relevant vocational qualification.

This subclass also includes:

- services related to the provision of special education programmes at this educational level
- services related to the provision of literacy programmes for adults at this educational level

**9233 Upper secondary education services, general**

**92330 Upper secondary education services, general**

This subclass includes:

- educational services for programmes (ISCED Level 3), with a higher degree of specialisation and where teachers are more qualified and specialised in their subjects when compared to Level 2. Often different streams and types of programmes are available at this level. Generally speaking, completion of Level 3 education is the minimum requirement for entry into tertiary education programmes. Services in this subclass cover education which is not designed explicitly to prepare participants for a specific class of occupations or trades or for entry into further vocational or technical education programmes.
