

## **ECOSOC Decision 2004/313**

### **Promoting the application of science and technology to meet the development goals contained in the United Nations Millennium Declaration**

At its 51st meeting, on 23 July 2004, the Council decided to defer consideration of the draft resolution entitled “Promoting the application of science and technology to meet the development goals contained in the United Nations Millennium Declaration”, contained in the report of the Commission on Science and Technology for Development on its seventh session<sup>1</sup> to a resumed session.
