The **Commission for Western Asia** is underutilized or cases data exists, but no or insufficient gap in the region is estimated at nearly $700 million in additional SDG financing across six key transition areas.

**GROWING RISKS**

**ESCWA** is promoting risk reduction by exploring the linkages between climate change, development, human rights, gender equality, and peace and security.

The **SDG Data** working with UN entities and national statistical offices, ESCWA developed tools including:

---

**FINANCING FOR DEVELOPMENT**

**ESCWA** supports its member States to maximize impacts on sustainable development through optimal fiscal policies.

**The Private Sector** is working to strengthen the role of the private sector in sustainable development:

---

**ADDRESSING FOOD INSECURITY**

**ESCWA** supports policies to enhance the agricultural sector, facilitate food trade, mitigate climate change, and enhance access to food through social protection and other programs.

---

**PRIVATE SECTOR ENGAGEMENT**

**ESCWA** is working to support and coordinate private sector engagement through megatrends in the region.

---

**SDG DATA**

Working with UN entities and national statistical offices, ESCWA developed tools including:
