

Economic Commission for Latin America and the Caribbean

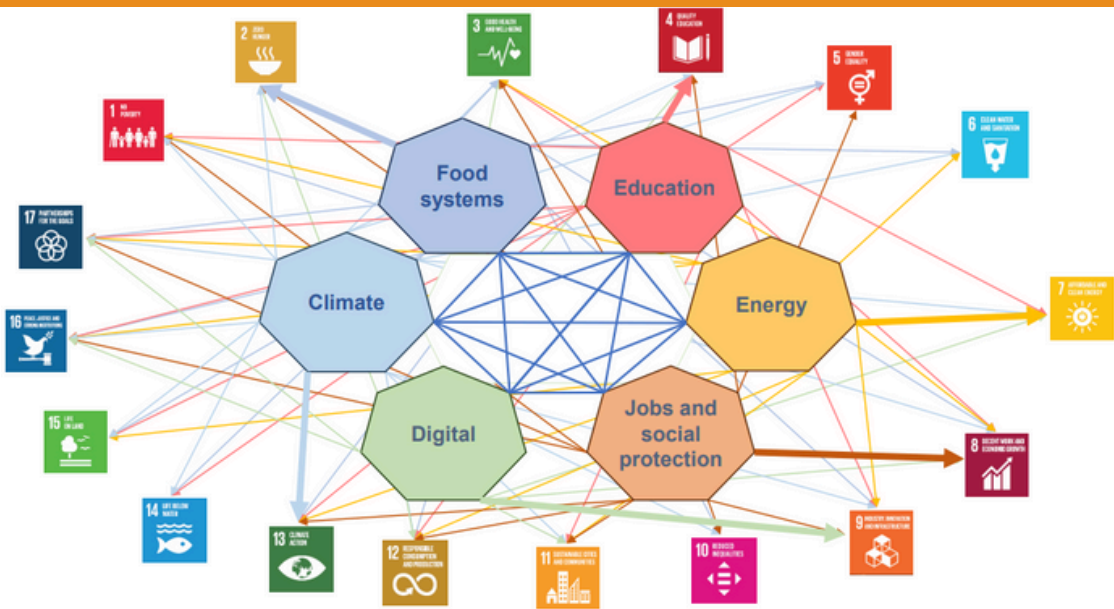

ECLAC

I. 11 vital transformations to close the structural gaps

II. Six sustainable transitions to accelerate the SDGs

The Challenge of Accelerating the 2030 Agenda in Latin America and the Caribbean
Transitions towards Sustainability

Seventh report on regional progress and challenges in relation to the 2030 Agenda for Sustainable Development in Latin America and the Caribbean

III. ECLAC's platforms and tools to advance the SDGs

The annual Forum of the Countries of Latin America and the Caribbean on Sustainable Development brings together governments, civil society, the private sector, ECLAC's subsidiary bodies, development banks, other UN agencies and regional integration blocs to accelerate action for the SDGs.

ECLAC's Community of Practice for LAC countries addresses diverse topics:

ECLAC's Community of Practice on Voluntary National Reviews

Informal mechanism for exchange among peers and sharing of good practices and lessons learned between Latin American and Caribbean countries on the implementation of the 2030 Agenda and the VNR process, with 65 virtual sessions over the timeframe of 5 years.

Regional Observatory on Planning for Development in Latin America and the Caribbean

ECLAC launched a guide to support the efforts of local governments to territorialize the 2030 Agenda through the preparation of voluntary local reviews (VLRs). The guide is based on the review of 85 VLRs in 67 localities in 11 LAC countries.

SDGs in Latin America and the Caribbean: Statistical knowledge management hub
Data, statistics and institutional resources to follow-up the 2030 Agenda

2030 Agenda in Latin America and the Caribbean
Regional knowledge management platform

The SDG Gateway is the place where all information related to the SDGs can be found, including activities, information resources, statistics, regional data, analytical tools and knowledge products developed and made available by the UN
